

This submission is in response to the "Request for Additional Information" Letter dated December 28, 2006 for the Amemded October Quarterly Report (7/1/06 - 9/30/06)..

Schedule A of this report disclosed two contributions received after the primary election that were designated for the primary, as follows:

The 8/5/2006 Contribution from Mr. Bruce Johnson was reported incorrectly, and has been corrected to reflect the correct contributor, Jeri Johnson.

The 7/25/2006 Contribution from the National Thourbred Racing Association PAC has been refunded. A copy of the refund check will be submitted to the Commission via mail.

I have examined the committees's procedures and made the necessary revisions to eliminate the recurrence of this problem.
